As President of the Melbourne Chamber's Rockledge Rock-It Business Referral Group, I'm sure I can safely represent the entire group in saying that each of our lives has been greatly enriched because our lives intersected Doug's. Yes, our dear friend, we will miss you greatly. Be at Peace in the Lord.

Doug, You brightened our lives every other Friday morning at the chamber Rock-Its meetings for the past few years. I know you'll still be proudly watching over your Zodiac kids, and hope you'll put in a good word for all the rest of us too.

I enjoyed working with Doug for 18 years at Apex, he always treated me with caring respect and on a few occasions he did not hesitate to help me with family issues. He made work life very fun, those close to him knew how important all his children, grandchildren, cheerers and wife meant to him, he gave great hugs and sincerely cared about people, RIP Doug, you are like a brother to me, prayers for your closest family and friends in their sorrow to adjust with you being in heaven, With Love, Andrea Agee
