Comments

“ I am so sorry to hear of Georgias passing. I had worked with her and Ella at the telephone company in Boston and almost went into the navy with her and Ella. I was underage and had to have a parent sign and my Mother would not sign. I had pleaded and begged and she would not relent. Now I am so glad she held on refusing as I met my husband while he was stationed at Cape Cod Air Force Base. But I did love Georgia She was a wonderful person and I know all her family will miss her,

“ I will miss Mrs. Larsen as I called her most of my life, mostly for the times in my adult life that she was always available to talk to, cry to and she was the best listener. On the day my Mom died (30 years ago) Georgia called me and picked me up and took me to lunch and bought me a dress for the funeral. She said instead of sending flowers that she knew my Mom would be happy with us spending the day together. I was living in Virginia Beach at the time and so was Georgia. I will never forget her loving care and kindness that day and at other times. She had a beautiful smile and a infectious laugh. My thoughts and love are with Lynne, Bobby and their families.

“ Georgia will be remembered by all who knew her for her great smile and optimism. I enjoyed many, many rounds of golf at Rockledge CC in the WGA wth Georgia. If she can find a golf course in heaven, that's where you will find her, walking if possible!

“ All memories of Georgia are happy, upbeat, full of laughter and good times! We were golfing partners who walked the course for over five years -- playing our own game, with our own rules. The best part of the game was listening to Georgia's stories about life and life's challenges, such as, purchasing a new freezer to replace the 25 year-old one that died. Never a dull moment.

“ Georgia was the first perso to welcome me to RCC. She even cleaned out my locker for me! Both being from Boston, we forged a special bond. I especially remember with fondness how kind she was to my son giving him a job washing her windows. She had the brightest smile and the kindest heart. I will miss her presence when I return to Florida and don't see her on the golf course.
