July 18, 1936 - January 22, 2018

Margaret (Maggie) Newman, 81, of Titusville, Florida, passed away with family members by her side at the Rockledge Regional Medical Center on Monday, January 22, 2018. She was born July 19, 1936 in Brooklyn, New York to the late George Williamson and Margaret Yost. She was predeceased by her loving husband of 41 years, Thomas F. Newman. Maggie attended school in Brooklyn, New York. Upon graduation she met and married her husband Tom, who shortly thereafter enlisted in the U.S. Army and was stationed in France. Maggie sailed to France to join him, and while there gave birth to her first child Peggy. Upon return to the U.S., she had four more children Cathy, Tommy, Craig and Diane.

Maggie was a homemaker and partner to husband working Superintendant jobs to keep family supported. Maggie ventured out to the work force after youngest started school and her career grew as a Secretary in New York City until finally settling down in Florida. During her time here in Florida, she had her own restaurant Sanford called "Maggie's Place" and then sold business and moved east to follow family to the Space Coast where she became a Security Guard. During her security guard years, she worked at the Boeing Building and Searstown Mall in Titusville until she retired at 70. She was a co-pilot to her husband, a grandma to 10 grandchildren and 8 great grandbabies. She was our rock and confidante through good times and bad. She proved that with hope and perseverance that you can become anything you want. She was fun, outspoken (sometimes to a fault) lol, and a stand-up woman. Maggie had lots of friends and everyone liked her, she enjoyed hanging out with her friends, riding on motorcycles, playing bingo, flying, watching Western Movies and she loved her movie star men such as (John Wayne, Clint Eastwood, Sam Elliot just to name a few). But most of all being with family and traveling. She will be missed, more than anyone can imagine and we hope that she is at peace now and that she is with her love once again. Now mom, you and dad can fly high and dance till the end of time...

Maggie's Memorial will be held on Sunday, February 11, 2018 from 2-3 pm, at The Space Coast Regional Airport (Ti-Co) near the Operations Building, There will be a fly by with a Cessna plane and a bagpipe player playing her favorite tunes to send her off to meet her
