

## Mrs. Susan Wade

January 18, 1962 - August 13, 2018

Susan Wade, a devoted wife and mother, passed unexpectedly in Merritt Island, FL early Monday morning August 13, 2018 at the age of 56. She was born in Plainville, MA on January 18, 1962 to Arnold and Alice White. Susan is survived by her four brothers, Alan, Barry, Bruce and Howie White; her husband, Richard Wade; and her daughters, Alison Wood and Rikki Wade. She is predeceased by her parents, Arnold and Alice White; and her grandparents, Howard and Helen White and Hector and Eugenie Caron.

For many years, Susan owned and operated Cruise Creations in Port Canaveral, FL where she created floral arrangements and gift baskets for lucky cruise goers. She loved all animals, spending time with her family and trying new recipes in the kitchen. She also enjoyed spending time in nature and visiting her home away from home in Gordon, GA.

Susan leaves behind many friends and family whose lives she touched tremendously with her kind heart and generosity. She was the kind of person who always put others before herself and would be there for anyone with no questions asked. To honor her memory, please feel free to share any pictures and stories you have of her. Strive every day to be a better person. Be generous. Be kind. Life is short and you never know how you can influence someone's life.

A Memorial Service will be held on Saturday, August 25th at 11:00 AM. The service will be held at First Baptist Church of Port St. John. We kindly ask that everyone arrive a few minutes early so we can begin at 11AM. Thank you

“ Walking out my front door is not the same. Living across the street from Sue and Rick for many many years, their house is always the first I see each morning. How quickly our lives changed on that early morning. Will miss Sue in so many ways..... Our love for our kids and our dogs and the beauty of nature. So much to remember. Alison being born- then married! Sue always there to take care of my dogs and get the mail when I travel. Discussions on why our lawns are turning brown and the neighbor “huddles” in the middle of the street as we all caught up on what was happening in our lives. She was an amazing and wonderful person and will always have a place in my heart. Holt Drive is not the same. Warm embrace to Rick, Alison and Rikki. Bonnie & Charlie King

“ Where do I begin. Sue and I go back many many years when I first worked with her at the Port doing Gift Baskets and Flowers. We had so many laughs. She and I would crack up over the silliest things. Like trying to remember old sayings like, Turkey Lurkey, Henny Penny and our favorite Cocky Locky It all started with that darn stuffed Turkey in her house on the wall that I swear was staring at me hahaha She ended up working for me during Holidays in my flower shop. Wow, how things work out, so you can stay connected. She was so dedicated and was so caring and friendly. I will miss her very much around here. She had a kind soul and I believe God needed her for some amazing task in Heaven. You will always be remembered and my friend always. Love you and will miss you. "Cocky Locky" lol My heart is with your family at this difficult time.

“ *I had the honor and extreme pleasure to have worked with Susan at Kennedy Space Center for a number of years. She was not just an amazing person; generous, kind, and a joy to be around, but she also gained the upmost respect from all of her colleagues because of her professionalism and skills she brought to the office every day. Susan had a sweet and wonderful way to make you feel good about yourself when she sensed you were troubled. I remember her laughter the most and her beautiful smile and the way she would always brighten up a room with her endearing personality. I'm reminded of a quote I read long ago.... "How lucky I am to have something that makes saying goodbye so hard." God bless you and your family and I know her kindness and warmth will continue to live on in you.*

“ Rick, we are so sorry! We just had the privilege of meeting Susan not long ago when we ran into you and Susan at a local restaurant. We bonded with her immediately and could see she was a true quality person. We were both so happy to see you both and to meet Susan. My wife really enjoyed talking with Susan, and we were hoping to get to know her better. God knows what He is doing, but it is so hard for those left behind. You are in my prayers Rick and if you need anything just let me know. God bless. Mitch and Mary Morgan

“ I have so very many memories of Sue and most of them involves a lot of laughter. one of my favorite memories is staying at Sue's house, we both drank way too much and she was going to dye my hair. we laughed and laughed in anticipation of what this hairdo was going to look like when it was all done. I remember when Sue would find a bug in the house she would never kill it she would always capture it and let it go, that's just who she was. I remember Christmases with family when the kids were little and New Year's Eve parties playing darts on the porch and then going in the hot tub. I remember Sue's love for her birds and how she would take them in the shower with her. I remember her laugh I'll always remember her laugh the most cheerful laugh I have ever heard. mostly she loved her daughter Alison Alison was her pride and joy Alison was her beautiful little blonde girl. Susie loved her brothers and often told me how much she missed her family and she also told me how much she missed ours. Susie was laughter love and cuteness all-in-one pretty little package. you left us way too early Susie and my heart is heavy. I am going to miss you so much we always thought we had so much more time left rest in peace I love you! Your sob Darlene. Fly high

“ From the very first time I ever met Sue, I felt as if we had been lifelong friends. She is one of the kindest, most down to earth people I've ever met. I wish we had gotten the opportunity to spend more time together. She will be missed by any and all who was blessed to know her. Praying for her family and loved ones❤️

“ Sue was so special. I have a million happy memories of her...many of which go way way back to before the blessed birth of Alison. We shared fun, laughs, and music. She was a true ray of sunshine in this world.....never a harsh word or a complaint. Her legacy is love and a beautiful daughter ... and more than a few broken hearts.
