“ *Lonna and siblings,  
I fondly remember your dad and your mom when they lived in Penns Grove, NJ back when I was a real little girl. I have good memories of being at the convention with my parents and Lonnie and Lorraine. You kids didn't come till later. I remember when he came to our congregation and I remember when they and Aunt Sophie and Aunt Claire moved that day to live in Florida. That's the last day I saw your mom (my mom's cousin) and dad. In Paradise I will enjoy talking to them both. I missed out on a lot of family.*

*So sorry for your loss,  
Pauline Columbus Booher, and husband Terry.*
