Merrit Island

Aneta Grace Willett Todd Ott, of Merrit Island, Florida, passed away August 25, 2015. She was born, April 5, 1938 in Fort Fairfield, Maine, to Robert and Pauline Willett.

She is survived by her daughters, Diana Todd Spell, Nancy Todd, Dawn Taylor, and son, Patrick Ott (David Garthe), her sisters, Helen Morar, Joyce Maker (Geoffery Maker), Judy Marshall (Gregory Marshall) Lana Paige (Shari Lewis). Her grandchildren: Stacey Spell, Krista Spell and Todd Spell, Patrick Brennan. She was predeceased by her husbands, Clyde Todd and William Ott and son, Michael Ott

Aneta graduated from Brevard Community College and worked at NASA for many years. She was President of the Federally Employed Women, served on the Planning and Zoning Board. She was the catalyst for helping those in need at Baxley Manor. She received the "Make a Difference" award. She was the Founder and President for many years of the North Merritt Island Homeowners Association. She served as a volunteer for NASA at lift off and landings of the shuttles. She received the Space Coast Chapter Distinguish Service Award. In 1990 she was appointed by the District 2 County Commissioner to the Brevard County Planning and Zoning Advisory Board

and Local Planning Agency and served with distinction on these important boards until 2014. She was chairman and vice chairman of both at various times. She was also elected to the North Merritt Island Special Advisory Board from its inception until 2014, when she retired from that position. She belonged to the Moose and also was an avid Mustang fan.

She was a faithful servant of God her entire life and was on the board at St. Luke's and a regular delegate to the diocese's governing meetings in Orlando. On Tuesday she became one of the things she loved the most, an angel.

A celebration of Aneta's life will be held at St Luke's Episcopal Church on Sunday August 30th at 3 pm. In lieu of flowers, donation can be made to the St Luke's Episcopal Church, PO Box 1025, Merritt Island, FL 32954.

“ *MANY thanks to Aneta for helping to make our Merritt Island world a much better place to live in. We knew Aneta from the zoning board meetings. She ran the meetings well with consideration towards both the applicants and residents, managing to keep the meetings on a fair and even keel. This was greatly to our benefit in how our Merritt Island world has been developed. Her knowledge and actions greatly influenced how nice it is to live here in North Merritt Island. Thanks Aneta! Sincerely, Celia and Shaye Williams*

“ *Aneta was a beautiful caring person. After her retirement, she became one of my best volunteers working all hours of the day and night with regard to space shuttle activities. Thru it all, she always reminded use to take part in her activities for Baxley Manor. She will be so missed. Rest in Peace Aneta, you have truly earned your wings.*
