“ I remember meeting Angela the first time Cym brought me to meet her family and Angela and her mom treated me like family! Angela has always been a sweet heart, unless you messed with her family she would do anything for them! I know she is walking those streets of gold! God must have needed one of his strongest Angels because He called her home! I will miss her and miss her sweet laugh! RIP sweet angel

“ There are so many memories I have of you. We talked multiple times a day and even went and did things at least twice a week. I know that you are no longer in pain. I will miss you everyday and remember you always. Our little saying was “I loved you first “! It still feels unreal to me. Just know that I love you always and forever, my best friend. Now go dance with angel’s and Jesus. RIH
