Uncle Angelo will live on in our wonderful memories of the times we spent together. He was the most positive and cheerful person we know and will be missed. So happy we got to spend time with him this summer. All of his and Aunt Florence's wonderful children and grandchildren are their beautiful legacy of love and a happy marriage where love is what was the core of the family unit. Love all of you! xoxo

*My Beloved Uncle Angelo, always had a special bond with me. He would often come to NY to visit his sister Paula and I would always run over to be there. His love of life and family was so very apparent in how he lived his life. I will miss him terribly, but will always remember the special times. He was a gift to us all. Be at peace Uncle Angelo, give Aunt Flo and Glen a hug for me. Much love to all my cousins. xxx/
