Barbara Ellen Millar

April 6, 1958 – January 10, 2025

With great sadness, we announce the passing of Barbara Ellen Millar on January 10, 2025, in Melbourne, FL. She was born on April 6, 1958, in Orlando, FL, and lived a life defined by kindness, generosity, and an innate ability to connect with everyone she met.

Barbara was the beloved wife of Al Millar, with whom she shared 45 wonderful years of marriage. She was a devoted mother to their two sons, AJ (38) and Eric (35), and a proud grandmother to Asher (5) and Aiden (3).

She was known for her incredible generosity, always willing to lend a helping hand or a listening ear. Barbara had a warmth that made people feel instantly comfortable in her presence, and she had an uncanny ability to get along with anyone. Whether it was a lifelong friend or someone she had just met, she made every person feel valued and appreciated.

Barbara's immense love for animals was one of her most defining qualities. She cared deeply for all creatures, whether they were beloved pets in her own home or animals in need. Her compassion extended beyond words—she was always willing to take in a stray, support animal rescues, or simply provide

love and care to any animal that crossed her path.

Her kindness, her generosity, and her ability to bring people together will be deeply missed. Barbara touched the lives of so many, and her legacy of warmth and compassion will continue in the hearts of those who knew her.

A memorial service will be held at Lineage Church (300 Tucker Ln, Cocoa, FL) on Saturday, February 8, 2025 at 2:00pm.

In lieu of flowers, the family asks that donations be made to a local animal shelter or rescue in her name, a tribute to the love she had for the animals she cherished so much.
