“ *I am in shock just now learning of Barry's passing. I have known Barry since he was a student at National College of Education and I was a teacher in the Demonstration School, 1965. We bonded as friends and have shared many wonderful times and events in our lives. Barry had a heart of Gold. He loved his dear wife, Jane, and their children, Andy and Jessica, and the grandchildren. He was a patriot, a man of honor, and always a caring and loving soul. Karleen and I will always hold him close in our hearts.*

“ I was texting some photos of our kids this morning and had them come back undeliverable 4-5 times, which concerned me. I went online and typed Barry's name and sadly saw that he had passed.

Barry was a great man and great friend. We struck up a friendship when I worked at UCF and have been close for the last 12-13 years. He was always so thoughtful and caring and always had a bundle of enthusiasm and energy. He always bragged about Jane, Kelly and Andy and though I never knew them well, always felt like family.

Pappi (as my kids knew of him) will surely be missed. Love you brother and will miss you dearly.

Jane, Kelly, Andy,

Erica, Grayson, Ryleigh James and I send our deepest condolences.

God Bless,

AJ Arem

“ It is with great sadness that I am writing about the passing of my  
cousin Barry.  
Barry was a wonderful man, who lived life to the fullest, and was  
taken too soon. Barry was a dedicated loving husband, father and  
grandfather.

Every time we gathered, it was a great time with endless amounts of  
laughter. We spent numerous days/evenings together whether over  
dinner, attending many boxing matches and basketball games,  
chatting about life and reminiscing about memories our family.

I am thankful for all of these great times with my cousin, so let's  
remember him for all of his great qualities, big heart and appreciate  
the time we all spent with him. May Barry's memory live on in all of  
us for Heaven has truly gained another Angel.
