“ I don't have words right now. Oh how I will miss her. She use to say we were sisters from different Mrs and Misters. She was my spiritual sister as well and we enjoyed Bible study at either her house or mine. We held each other accountable and had more laughs than can be counted. We were together all the time and knew the good and bad about each other and it didn't matter. I'm am blessed to have had such a best friend and God got us through a lot together. "Wait for me, for I will be there too" my friend. "Till we meet on that beautiful shore" you will forever be in my heart.
