“ *Billy was awesome, always with hand shake and a smile to greet you. He was there if you needed him and would help in any way. Going to miss the funny jokes and kidding around at the track. He had a a lot of passion for drag racing and the friends at the track. His love for his wife and his son was the greatest passion of all. We talked just a couple weeks ago on the phone and he was telling me the rv that Billy and Dawn purchased was one of his new passions and he loved going camping. Going to miss you buddy.....
