

Mrs. Bonnie Jean McClure

October 22, 1962 - August 31, 2019

Bonnie Jean McClure was born October 22, 1962, in Boston, Massachusetts. She passed peacefully in her sleep August 31 in Port St John, FL, after a long and painful battle with cancer.

Bonnie loved shopping, her family, and trying new restaurants with her husband. Bonnie will be remembered for the sparkle in her eye, her great smile, and the fact she never met a stranger. While bedridden the last few years of her life there was nothing she enjoyed more than a visit from a friend.

Bonnie was an award winning builder, building hundreds of homes in Central Florida, mostly working for Mercedes Homes, but she loved hairdressing, which she did in her free time.

Bonnie is survived by her son, Keith Comley of Astoria, NY; step-son, Austin McClure of Titusville, FL; and her husband and best friend for 16 years, William "Jeff" McClure of Port St John, FL.

Bonnie was truly an "Angel on Earth."

A Celebration of Life will be held Saturday, September 14th, at 10:00 AM located at First Baptist Church of Port St. John on Fay Blvd.

“ *Dear Jeff and Keith, I am so sorry to find out about Bonnie's passing. She was so incredibly wonderful to my mother Helen Talbot and my father Henry Talbot that I will never forgot the joy she brought into my parents lives. She was always there for them. I miss them and I miss Bonnie.*

“ *The worlds a lonelier place without Bonnie in it. I hadn't communicated with her much in the the 40 plus years, but I will miss her. As my first girlfriend she has a place in my heart and memory that will never fade. My deepest condolences Jeff. I met you once, breakfast with you, Bonnie, the kids and her folks. Anyone who cares for Bonnie is a friend of mine, my thoughts are with you my friend.*

“ Keith, Jeff & family, I just heard about Bonnie's passing last night, I am so so sorry! I want to remember Bonnie when we used to be theater moms together. She was always so funny and sassy, making jokes while building sets and working on costumes. She was such a special person and loved her family with so much passion. I will miss her.

“ Dear Jeff and family; Know that I considered Bonnie a true friend and sister. You have been on very tough journey. She is now at peace. My fondest memory is all of us trying all the great restaurants. Know that we here for you for anything you need. I will never forget her smile and positive attitude. She will be in my memory forever. Stay strong.
Love your friend Maryellen
