“ *My husband and I always enjoyed greeting Carl and his sweet wife, Verla, when we entered Indian River City United Methodist Church in Florida. Carl had a ready smile as did Verla. Verla was in church this Sunday, September 23, and I was happy to see her. Carl's smile is missed. Our sincere sympathy to Verla and family. Walt and Maryann Covington, Members of IRCUMC*

“ *I knew Carl from IRCUMC in Titusville where I have served as a greeter/usher from just about the time he started attending. We talked over the years about him being in dairy business. We always had a great time talking with his accent and my southern accent. The kind of guy that you just knew he was a great father and grandfather. I will miss him and I know we will have more talks some day in heaven. Blessings on his wife and family.*
