“ Thoughts and prayers to Uncle Bob and all my cousins and their families. Love you all and my heart aches for you and your tremendous loss.

Aunt Carol loved her Bobbie and all her children (4 legged ones too) and her children's spouses and she loved her grandkids and great grandkids with a special kind of grandma love! Aunt Carol loved God and was dedicated to her church and friends and she always made people feel welcomed and special.

Aunt Carol was a true Matriarch - the foundation upon which her entire family was built. She was a virtuous woman. She was diligent, dedicated and dependable, the constant. She is the one whose face can be depended on to be at every important event, and many of the seemingly unimportant ones too. She was a strong woman who boldly walked through life who gained wisdom and intuition from living and she used it to bring value to her family, friends and beyond. She was highly respected, loved and cherished by all who knew her.

I have so many wonderful memories of times spent with Aunt Carol, she has blessed my life and so grateful for the moments we had, she will be deeply missed.

As Aunt Carol has gone to heaven to be with Jesus for eternity, so will her legacy continue on earth for eternity.

Love to all,

Laura Packer (McNeely)
