“ *My husband Chris dino Harper, my life, my one and only true love, my best friend, father to our daughters, Khristina Marie Harper 18, Gracie Anne Harper 15. Whom he was so very proud to be thier father. I love you, my husband, I will never stop! It seems to me that even after 22 years together we would have nothing left to discover about eachother. Since i lost you i have learned just how much you have loved me and that my husband i will carry with me until my last day, when we will be reunited once again! You always said "if their talkin about us, their leaving everyone else alone!" Well baby your ears must be a ringing! I love you and am patiently waiting until we meet again! To the best real man i ever had the pleasure to know and love! Rest now my love you've earned it!*
