

Mr. Christopher A. Becker

January 22, 1982 - October 16, 2016

Christopher "Chris" Adam Becker, 34, of Port St. John, passed away on Sunday October 16, 2016 in Rockledge, Florida.

A Celebration of Life service will be held at Club Zion Church, 830 South Atlantic Avenue, Cocoa Beach, FL on Saturday October 22, 2016 at 2pm, with Pastor Keith Capizzi of Club Zion officiating. Funeral Solutions is handling the funeral arrangements.

Chris was born in Parrish Medical Center, Titusville, FL to Dolores and Mitchell Becker on January 22, 1982. Chris spent his childhood playing football, baseball and basketball in the front yard/league with the psj crew, riding his three wheel bike, jumping off roofs, climbing the tallest trees, and hood surfing. He went to Titusville High School where he excelled at football, basketball, socializing and chasing girls. He graduated high school in 2001 and received a full ride to Moorehead State in Kentucky where he spent a year and returned to Florida. He became a bartender and helped manage F'uglies where he pursued a very social life full of friends, travel and life experiences. Chris cherished his family, and was the best uncle to his three nephews. Always buying them the biggest loudest toys that he could find, roughhousing and leading many nerf wars at family gatherings. Chris always managed to be in the middle of trouble but always came out clean with no scratches. He lived for his family and friends always there with a helping hand and a joyful smile.

Chris is survived by his mother Dolores Hoggard, father Mitchell Becker and step-father Ross Hoggard, sisters Tiffany Becker and Leah Hoggard, brothers-in-law Mike Taylor and Jarrod Johnson, nephews Christopher Becker, Jaxon and Wyatt Taylor, grandparents Patricia and Kenneth Andrews, George and Rita Hoggard, many aunts and uncles, cousins and more friends from childhood to adulthood than can be counted.

In lieu of flowers, memorial donations may be made to charity of choice in his name.

Condolences may be left in Funeral Solutions online guestbook at funeralsolutions.net.

The family wishes to extend their gratitude to Kaylee and Stephen at Savings Safari and Cary and Lisa at Funeral Solutions.

The simple words of "we will miss you" and "we love you" and "we want you back" are

simple but ever so true.
We love you Christopher.

“ *Chris was a shining star...his bright smile light up a room and warmed your heart. I grew up with Chris from elementary school to High school. My fondest memories of him were from Challenger 7 days. We were in the same class together from 3rd to 6th grade. He was my buddy. He could always make me laugh and would play silly games I loved. In 6th grade Mrs. Reynolds class we had a class radio and he would change the channels and we would see who knew the most songs. He did great impressions while dancing on the countertop in class (of course the teacher had stepped out of class). We never got caught. But every time I think of him I only have a good memory.*

*I saw him a few years ago at Fuglies...and yep it was the same ol Christopher singing and dancing on the tables lol.
He will be missed and heaven is so very lucky to have gained his beautiful soul.*

“ I only knew Chris for a short while we have been working side by side setting up trade show booths.. I really can't believe what has happen still. I walk around my shop now and it's just a empty feeling there now. He will be very missed by all of us at work and never forgotten.. I always loved his jokes and always willing to learn he had a great future ahead of him. And always talked about how much he loved to help his parents out. Love ya Bigs

Chris and I go back to early childhood. I have honestly met very few that have had a genuine loving ora as he did. Anytime I ran into him, even if I had not seen him in several years, it was always a cheerful meeting and a big bear hug. He is with the many angels now and his spirit will always be with your family. God bless!

“ *The last time I saw Chris was in the picture below it was my birthday and me some friends went out. He happened to be bartending and knew everyone with me because we went to school together. It ended up being a fun filled night with jokes and conversation. To chris' family, I am so sorry for your loss. He was a great person inside and out. I hope you find peace in knowing he was loved by so many. My thoughts and prayers are with you as mourn the loss of Chris and say your final goodbyes.*

“ *Dear Chris's Family,*

My heart is so sad to hear about Chris passing. When I think about growing up and childhood friends Chris always comes up. Growing up down the street (Alderwood Ave) I have so many fond memories of playing around the neighborhood with Chris. We would play ball or man hunt and climb tree's in the woods behind my house. We went to Challenger 7, Space Coast and THS together. In elementary school he was always one of the boys I loved to race against in the 50 yard dash because he was always one of the "fast boys" and I would always strive to beat him. (I don't think I ever did! lol) Because we lived so close sometimes we would ride bikes to and from school together with friends and we were safety patrols together as well. Although over the years our lives went in different directions, Chris has remained a childhood friend and I have always remembered him and will continue to remember him as a nice, kind and funny guy.

I know there are no words to say that can bring the comfort you all need during this difficult time, so please know that you are all in my prayers and thoughts.

*Love,
Kristen (Lumpkin) McNally*

“ Chris graduated a year ahead of me, but when we'd pass in the hallways, he always had that megawatt smile and a kind word. He was always smiling and happy! A great guy gone too soon! Prayers and condolences to his friends and family.

“ Our hearts are broken, a beautiful soul gone too soon. Chris was always there to help when needed, to share a good laugh, and to remind us to not take ourselves too seriously. Thank you for all the good times, rest peacefully my friend.

“ I wasn't close with Chris, but we did go to school all the way from Challenger through Titusville.

As someone who lost their own brother way too young (Matt VanHeiningen- you may have known him) and unexpected (heart attack) I can tell you that this is something you always think will happen to someone else but never to your own family.

Two years later I can tell you that your whole family will eventually start a "new normal". You will start to remember and be able to laugh about all the good times you had with Chris.

Leah- i've been there and know what you're going through. My condolences to your family. You can see through all the messages how many lives Chris touched is too short lifetime .
