

## Mr. Collin Thomas Fritts

November 5, 1999 - June 27, 2018

Born November 5, 1999 in Pompton Plains, New Jersey in Chilton Hospital to Thomas and Monique Fritts. The Fritts family lived in New Jersey until 2005, when they moved to Titusville, Florida.

Collin started kindergarten in Imperial Estates. He quickly became loved by all who knew him. He was always helpful and cheerful. Collin loved the annual Fall Festivals held at Imperial Estates.

Collin always loved being in the outdoors, off-roading, trucks, shooting and hunting.

Soon after starting high school at Titusville High School Collin took his favorite class, Auto shop. He quickly found a mentor in Frank Soros, and excelled in the auto shop.

Collin join the Titusville Police Explorers program at 14 with the Titusville Police Department. His time with the explorers meant the world to him, and he found another mentor in Detective Jess Cabrera.

The impact on his life the explorers program made meant the world to his family. Collin also became an NRA trained Pistol Instructor at the age of 16.

Along with hunting and shooting with his father, cooking with his mother,

building trucks with his friends and getting dirty mudding, Collin was an amazing older brother to his little sisters Deja and Aubrey. The bond they had was unshakeable.

Collin is loved forever by his parents, Thomas and Monique Fritts, his brother Ryan, his baby sisters Deja and Aubrey, his girlfriend Samantha, his Grandfather Thomas Fritts Sr. (Carol), his Godfather Brian (Janet) and uncle Sean (Corissa), his aunts Gina (Joe) and Wendy (Kenny), his Godmother Jennifer (Ryan) and many cousins and friends.

Collin is now resting peacefully in the company of his grandmother Anna Marie Fritts, his grandfather Robert Delhagen, his Nanny and Poppy Frances and Fiori Coccari, and his great-grandmother Edna Fritts.

In Collin's short but full life, he touched many hearts and lives. Full of life, full of joy, and forever full of smiles. His legacy will live on in the hearts of his baby sisters.

For all who knew him, let us never forget him.

“ *My deepest sympathy and many loving thoughts and prayers to you in this time of great grief and loss of your precious Collin. I remember meeting Collin when your family had attended one of our church services and we were visiting around the gazebo. Collin was so polite and kind and carried on a gracious conversation. He was especially attentive to my mother who has dementia and made her feel important which in turn endeared him to me. What a rare and treasured gift in a young man.*
