

Mr. Donald Burnett

December 6, 1936 - August 21, 2023

Don passed away at home on Monday, August 21, 2023, after battling cancer.

He was born on December 6, 1936, in Union County, Georgia and lived there for 13 years before moving to Haywood County, North Carolina. After high school he joined the Navy where he served aboard the USS Bryce Canyon AD-36. After his service in the Navy, he returned to North Carolina where he asked Nell Frizzell to be his wife. Don loved the outdoors where he enjoyed fishing and hunting. His favorite fish to catch was bass, but he also enjoyed sitting on the bank catching freshwater catfish with his kids or grandkids. He also enjoyed spending fall mornings in a stand enjoying the day while deer hunting and then sharing in the camaraderie of other guys at camp.

Don was a little league baseball coach, football coach and softball coach. He touched many lives during his coaching career. He loved sports, had a

winning attitude, and won three consecutive championships as the head coach of the Cocoa Redskins football team.

He was a hard worker and was either fixing something, working in his garden or building houses. He was always doing something constructive. There was a stint of about 4 years where he worked with three other young men building each other's houses and was a great example to these young men.
