“ Dear Don, Mike and family:
When I moved to Melbourne in 2008 your Mom and Dad welcomed me as their new neighbor. Truly they were caring and helpful. It made my move here so much easier. God be with all of you,

“ Dottie indeed took care of neighbors in need. My wife was in Hospice care next door and Dottie would every day sit with her for several hours watching the O.J. trial until I got home. Many thanks to the Tipton family.
