“ I will always be grateful to Ingrid and Earl for being so kind, fun, funny and smart, throughout my childhood and afterwards. I have many great memories with them in Ohio and Florida. They are in my group of top 3 aunts and uncles, even though I figured out that they were not technically blood relatives in this lifetime! When you cross over be sure to ask Earl to tell you something good and he'll surely be able to assist you to get to the highest possible location. Rest in Power, Sassy Cassy

“ I haven't seen you in many years. Sorry to know you passed away. My memories will always be you down at Aunt Mills sitting at the end of the table whenever I went down with my grandfather or Dad. Earl was my dad's cousin. I remember riding my bike from first street down around your house and you would know I wasn't allowed down that far or you would see me out on road near the telephone building and would remind me I wasn't allowed down that far. You were driving a yellow pickup. You will be missed. You were always friendly and nice.

“ *Earl Mckinney was one of my favorite uncles on the Mckinney side. Earl & Ingrid both always kept in touch with Derek & me. They loved my kids as much as I did. I will miss them both forever. They taught me much. ❤️*

“ *Uncle Earl
Your kind sweet spirit is now with the ancestors. I know you are resting in love and peace. The last thing you said to me was Don't forget you! I will always remember and treasure our moments.
Love,
