“ I will miss Emma. Florida will never be the same without her. She was the life of the party. She never let her illness get to her. She always loved to hang out at the pool. Will miss her at karaoke and just hanging with her. So sorry for your loss. She was a good person and always the life of the party. She always sent me text on holidays. She never missed one. I'll miss that too. She was loved by so many people. She will be missed by my kids also.

“ Emma was a wise woman, full of joy, forgiveness, spunk, fun, beauty, and wanting to do her part. I met Emma when I was out dancing. She was a great dancer. She received awards in high school for dancing. She was like a sister to me. I miss her greatly. RIP sweet Emma-sister.
