“ *Papa you were absolutely the best man any one of us could have asked to be in our lives. You weren't just a papa to us you were a bonus dad. You taught us so many valuable things in life and were there for me and shy in one of the most difficult times of our lives. Although we didn't get to have you as long as we thought. I was blessed to have someone like you for as long as I did. I love you forever* ❤️
