“ *I am sorry to hear this. Everytime I saw Forest's name on my schedule I would just be assured I was going to have a geat day. He lit up the room when he entered. I loved having a nice embracing hug when he left. I am so glad I got to see him a few months ago. I will always remember and cherish the stories, the sound of his voice and his contagious laugh. He loved his family and was so excited about the new additions.*

*With greatest sympathy,
