“ *Aunt Gale was one of the people I saw the least but felt the closest to. One of the sweetest and funniest people I've been honored to call family. I'm glad I got to spend time with her and my family in Florida earlier in December 💕 I miss you terribly already aunt Gale. I love you.*

“ I knew Gale when we were just around 18. Not married yet and trying to make ends meet. We saw these coats that we absolutely loved. So we put them on lay away.
When we paid them off, her and I wore those coats till the buttons came off.
Fun time then. My prayers are with you and the family, Judi

“ *Gale, you made working at Lums so fun. You always gave me the best advice and the best friend I ever had.
I remember when you saw a news report of a little girl missing and saw that she looked like my youngest daughter, Dana. You did not hesitate, you came over to be with me and see what you could do to help. Thank God it wasn't Dana, but you showed the true meaning of friendship.
You will be missed but we are all very lucky to have known you.
My prayers have been with and are now with your family.
Heaven has another BEAUTIFUL Angel*

“ Gale was always so sweet to me. I'm so glad I got to speak with her just a few months ago.

It seems silly, but I once (many, many moons ago) cut my hair very short and I wasn't happy at all with it. The very same day, I walked into Frankie's and she jumped right up and told me how gorgeous my haircut was and how much she liked it. She made me feel so much better. I know that where she is now, she's feeling so much better!!

“ It was such a Blessing to have been with you ALL last week.. Thank you for the honor to allow me to hold on to Gale and chat with each other. Much LOVE from the May Clan to you and yours. We Love you!

"May the good earth be soft under you when you rest upon it. May it rest easy over you when, at last, you lay out under it. And may it rest so lightly over you that your SOUL may be out from under it quickly, and up, and off, And be on its way to GOD."
