“ *I was Greg's dog walker for the short time he had his dog and frequently would stop by his house every other night to feed an outside cat at his house for his old neighbor and I didn't know him too well but I knew of the kind of man he was based on how he treated me every time he saw me. He never once was in a bad mood when I came and saw him he always had the brightest smile and would always greet me with the same greeting of "hey sweetie you here for the kitty" his kindness had always made me feel welcome when I was there and he always had a way of lighting up the mood around him the times I was briefly over. I was saddened to here that he had passed away the night I was previously at his house in the early night feeding the kitty and I truly hope he rests in peace and I send his family my condolences.*

“ *Greg was one of my dearest cousins, treasured friend, and a brother to me during our youth, and as adults during the past 20 years. We had many hours of discussion on the Bible, baseball and football games from our childhood and current days, and just life in general. He was most proud of his children, Matt and Leah, and their accomplishments. I will miss Greg and will always value my memories, but he is at peace in our heavenly home, and will always remain in my heart. Love, O.D. Gibson*

“ *I was Greg's next door neighbor for the last 3+ years, until but I really didn't get to know him very well until this past year and a half or so. He was good & kind & a great conversationalist & always had time to talk. He was incredibly supportive to me after the unexpected loss of my boyfriend back in 2019. We had many good conversations over the time that I knew him & I am fortunate to have been able to call him my friend. I will sincerely miss even just saying a quick hello whenever he'd be sitting out on his front porch. I am sorry that I did not make more time to talk with him at greater length as of lately, seemed I was always in a hurry due to new work demands. At least now he is at peace & I try to find some comfort in knowing that. He was a good man & I'm privileged to have known him. My deepest sympathies go out to Mark & Jane & to the rest of the family, inc his beloved children of whom he spoke so highly of.*

“ Dear Gibson Family: So very sorry to hear about Greg. Have lots of memories growing up of "Gibbles" spending time with Rocky and many Little League memories. He was also very dear always asking about our Mom and Dad after their move from Titusville to Tallahassee. He will be missed. I'm sure he has already tossed a few balls in heaven with my Dad! “ Greg and I go way back to the Little League days. We had numerous whiffle ball tournaments in Greg's front yard. We played Rook with his Dad and ate his Moms fudge many weekend nights. Greg will be missed by all. Rest in Peace my BROTHER!
