

Mr. James Bernard Bettencourt

January 12, 1986 - April 21, 2021

James Bernard Bettencourt

Born January 12th, 1986

Died April 21st, 2021

James Bettencourt, our only son was sadly taken from this earth and our lives on April 21, 2021. Both Bill and I have to believe that he is resting in peace and in the loving arms of Jesus. For us, his family, and that all those that knew James please take solace that he is no longer suffering.

James was a sweet, gentle, loving little boy. He had a special passion for the outdoors. He loved animals, fishing, hunting and any kind of adventure where he could get muddy! He and his dog Hades were inseparable.

James grew up to be a handsome, strong, smart young man. He was currently employed by Spectrum Communications. His bosses, Dan and Rob said he was a "top tier technician"! Prior to his current job, he was also a Commercial fisherman at Port Canaveral, Electricians Assistant and a Flow Back Tester in the North Dakota Oil fields.

If you were James's friend, we thank you!

We loved him with all of our heart and he will be missed more than words can

say.

Bill and Karen Bettencourt (“Pops” and “Momma”)
