

## Jeannette G Elliott

May 11, 1921 - October 19, 2019

Jeannette G. Elliott, 98, passed peacefully on Oct. 19, 2019 at her home on the Indian River where she lived since 1952. She is survived by three children, Peggy Kelly, Alice Kelly and Laurence P. Kelly III; granddaughter Allison Lattuca; brother Raymond Elliott; and numerous nieces and nephews.

Jeannette was one of seven children born in Royal Oak, Michigan before the Great Depression. Her father, Virgil, worked for the Ford Motor Company. Jeannette married Pat Kelly in 1942 and they moved to Florida shortly afterward. They had five children: Patricia, Peggy, Michael, Alice and Laurence.

Jeannette was a woman ahead of her time. She was a brave and bold spirit who championed causes dear to her such as healthy eating and organic foods, and helped start Sunseed Food Co op on Cocoa Beach in the 1970's. After finishing her AA degree from Brevard Community College, she worked in real estate for a few years, then delivered newspapers for the Florida Today newspaper. She practiced yoga and taught yoga classes, and continued to exercise and be active and healthy her whole life.

Jeannette's big house on the river was the location of many Elliott-Kelly family gatherings during the 60+ years she lived there, and she welcomed many friends from all walks of life into her home as well. She will be remembered by

all she touched in her 98 years.
