“ *RIP Jerry we go back a long way. Our friendship has lasted a lifetime, back when we were in Homestead I remember that time you, Leonard and myself walked about three miles to get to Homestead to watch The good the bad and the ugly At the walk-in theater When it 1st come out And then to the armory To go skating. We used to pick Strawberries for RJ and Rose so we had spending money. We had some of the best times ever growing up down there. You're in my heart on my mind always brother. love and miss you*

Jerry was a hard working, honest, and loyal person. I had known Jerry from the days he used to work at the fruit stand next to the labor camp, 60 years ago. He always did my screening for me. When he got older he bought cars for me in Homestead. A good man who will be sorely missed by his family and friends.
