“ *Don't grieve for me now. I am free.
I am following the path God has laid you see.
I took his hand when I heard his call.
I turned my back and left it all.
I could not stay another day.
I found my peace at the close of day
If my parting has left a void
Then fill it with remembered joys
Of friends shared, a laugh, a kiss
Oh yes, these things I too will miss.
Be not burdened with times of sorrow
I wish you the sunshine of tomorrow.
My life's been full I savoured much.
Good friends, good times, a loved one's touch.
Lift up your hearts and praise to thee
God wanted me now he set me free.*

“I am leaving you with a gift—peace of mind and heart. And the peace I give is a gift the world cannot give. So don't be troubled or afraid.” John 14:27

It's never easy losing a loved one but there is no sorrow, hurt, guilt or pain that Christ cannot heal. It is my prayer that God's peace which surpasses all understanding, will guide our hearts and minds during this time.

“ *It's hard to find the right words in moments like this of my who cousin in law passed away He was such an important figure in lives of his entire family. I have seen how he treats his wife with loved . I will cherish the memories made with him for the rest of our family lives. There were plenty of tears today, but I know that once they dry we will look back with only smiles on our faces. And even now I can't help but giggle at the little memories that seemed so minuscule just some years ago, that mean so much more now. The little things seem to flood my head more than I ever thought they would like those jokes he would run with his family . I miss you Tim. Rest well. ❤️*
