“ *Yesterday, I happened to think about Joe, and decided to look him up after many years. I used to work for Joe at the Kennedy Space Center. He was a wonderful manager who became my friend. Joe and Dianna took me fishing on their boat several times. It was a blast, and gave me great memories fishing off the coast of Florida listening to Jimmy Buffet, and even reeling in a shark. Joe was very kind, funny, and just a good man. I'm so sad to learn that Joe passed away. Rest in peace Joe. And, Dianna, I'm so sorry for your loss.*

“ *Joe was my brother. He was a good, decent man. And he was a great big brother. I miss him so much. Rest in peace Joseph. Now you can fish again and do all the things your earthly body stopped you from doing for many years. Until we see each other again...I love you.*

“ *Joe had a boat out here at Cape Marina for about 10 years. He brought the boat here the 1st year I started working for Cape Marina and he was always such a happy and kind person. I'm so sorry to hear hear he's gone. He was one of my favorite people.*
