“ *I am so sorry for your loss. I knew Joe when we worked at Elmwood Tank & Piping years ago. I did not know of his passing and he will be missed. We used to exchange emails and I was wondering why I had not heard from him in some time. So Sorry.*

“ *As the oldest and tallest cousin, Joe carried a special place. I remember his coming to my home a number of times when I was little, about 6 yrs old, and playing with me. And it was special to stay in touch through the years.*

“*My sincere condolences to Mary Kay, Paul and family. Joe was like another big brother to me and I always considered him one of the McCartan clan. I’m grateful that he and I stayed in touch via email so we could exchange funny stuff and old pix. I hope that you will keep me updated on his memorial plans as I would really like to honor his life at Barrancas National Cemetery.*
