

Mrs. Julia Ann Theel

October 17, 1933 - June 25, 2022

Julia Ann Theel (Glass)

10-17-1933 — 06-25-2022

Ann, as she liked to be called, grew up in Miami Florida. Hialeah, specifically. She attended Miami Edison Senior high school, and worked at the Essex Movie Theatre. After graduation, She was hired by Eastern Airlines to work in their printing department, but when the airline went under, she worked at other print shops. She loved bindery work and was a stickler for detail. She eventually met and married the love of her life, Norman Theel. They had a son and along with her two daughters created a loving family.

They moved to Minnesota in 1977, where Ann learned that she loved the snow, and the changing of leaves in the fall. She loved snowball fights and would laugh when she surprised us with a Bullseye! She absolutely loved decorating for the holidays and would always get into the spirit! She loved to bake cakes for friends and co-workers on their birthdays and was always ready to play games and to have fun.

She was preceded in death by her first daughter, Judith Ann, her grand-niece Riley Anne Murphy, her mother, Mary Louise Glass, her father, Richard Sherman Glass, her grandparents and other family members.

She is survived by her loving husband, Norman Theel, her daughters Shirley

De la Torre, Jeanette Roberts (Michael), her son, Kenneth Theel, and her granddaughter Marina Roberts. Also, her sisters, Susan Wallace (Pete) and Pam Kennedy (John), and her brother, Allan Glass, as well as nieces, nephews and other treasured family members. She was loved by many and will be greatly missed.

“ Ann was a warming and welcoming spirit that unfortunately I only got to know a short while, but it felt like a lifetime. She opened up her home to my son and I and loved us as her own. She loved her family and she loved her decorations.. I will forever remember her and the love she taught me.. she will be missed greatly...

I truly believe that there was Divine Intervention in meeting Ann. Some 50 years ago, she and Norman were looking for daytime child care and I was looking for a child to care for so that my little son would have someone to play with... that's when Kenny and his parents came into our life... and have always been a part of it for all these years. Ann was so caring and loving and anyone that knew her knows that she had a beautiful heart. I'll always have fond memories of Ann and I pray that God will wrap His healing arms around the Theel family during these sad times.

Ann was 8 yrs old when I came into this world.. She was the best big sister a girl could have. Remembering the high school football games and decorating her car with red and white ribbons for Edison red raiders.. Love and will miss you forever. . Hope they have rum and cokes up there.
