“ *Karah, I will always remember our times together and will miss you everyday. ONE of my favorite memories will be our heart to heart talks on the hotel patio, VERY early and lots of coffee! That was a difficult time for me and you and your shoulder were always there for me...thank you. To all the family, I surely wish we could be there but know our hearts and soul are. Angels all around the family and of course Karah. May you R.I.P.*
