“ *If I knew what I know now, I would've made the moments and memories last a little longer. Even in my darkest days, you light my way. When I'm upset, you say so clearly "Don't be sad, baby" & it's so beautiful. & this isn't goodbye mommy. I feel you with me everyday. But this is until I see you again 🙏❤️🔥* ☐

“She was one of the most carefree, loving, humble people I know... she was always the first one to laugh at herself when she did something silly 😊, or made a mistake. She was a HOPELESS ROMANTIC, always looking for the right one to settle down but she didn't want to be tamed or settled down, she needed a partner with the energy and thirst for life and experiences that she had, unfortunately no one could keep up with that beautiful soul and now that it's been released from her body she's at peace and she's out using her new angel wings to fly like Peter Pan! Rest easy, "Love-Bird"
