a bond between daughter and father is undeniable, only a few can

“ *He was a sweet father-in-law whose smile lit up a room. He loved his children and was always talking about them. He was so happy that Tim and I had got married and was so proud of how much Tim grew this last year. I feel so honored that I was able to be there in the end and hold his hand as he transitioned from this Earthly World To Heaven. We love you and will miss you 🙏💕😭*
