“ My dear friend Lilly, I know that Jesus and the Blessed Mother personally escorted you into heaven, I know that you are dancing, singing and celebrating with the angels. I know that you are in no more pain. You were one of the most beautiful, faithful, loving, kind, Mom and wife, you were all about family. You had such a sense of humor and was always willing to take those adventures with Ed and the kids. You were such a positive, supportive person. You loved Jesus and the Blessed Mother and you never were afraid to let people know that. I remember when we met 28 years ago and we became friends at Blessed Sacrament prayer group, we had beautiful worship music from you and Ed.

You would come to our house with the kids to celebrate birthdays and we would come to your house, you would always put something to cook right away and it was always so delicious. You were family to us.

My kids always call you auntie Lilly because you were genuine and treated them with love. You had time for everyone. I will miss you my friend, we loved you. My heart aches because we lost you on earth, but I know that you are now one of my personal angels in heaven. I will always cherish the memory of our times together.

To : Ed, Christina, Maria, Guillermo, Francisco and Anna, may God give you the peace, and comfort knowing that Lilly is your angel who will always, always be in your heart and by your side. May Jesus And the Blessed Mother hold you in their arms as you go through this difficult time.

We love you and will always be here for you - Roger, Gale, Marc and Gerard.
