Lois Carol Jones of Cocoa FL was born 1/15/1944 to Hazel (Applebee) and Louis (Beanie) Fredrick, in Camden N.J.

She is survived by three children Chelli (Hershel) Williamson, Jody (Erlinda) Jones, Shane (Lynsey) Jones, eight grand children, one great grandchild, two step grandchildren, five step great grandchildren, and life long friends Bill and Janet (Clem) Huber.

Lo graduated from Williamstown High School in 1962. She worked for Gloucester County and Jones Nursery in Williamstown N.J. before moving to Florida in 1975. In Florida she worked for NASA suiting up the space shuttle astronauts, Canyon Tech, and the attorneys Kelly Ingram and Vince Moore. She was a lover of all animals, and had many rescues. She went on many wild and crazy adventures with her oldest granddaughter Kari. She was an avid dart player and will be greatly missed by her dart family. Another passion she had was the thrill of racing at the mud bogs, she was hell on wheels. She shared her love for horses with her daughter and granddaughter. She will be remembered for her creative crocheted gifts and her love for life. We have all gained one heck of a feisty Guardian Angel!
