“ *She was the Matriarch of PCL. In the process we became loyal and loving friends. Eleanor never met anyone she didn't take into her heart. Her advice was welcome and sought by many. She was so special and dearly loved her family. My prayers for you*

“ *Ron says he will always remember her wry wit, and I remember going to Eleanor's beauty parlor with Mom in law. She went once a week, and I think it was partly just to hang out with her sister. They always seemed to have a good time together.*

“ I called Eleanor my 2nd Mother because I always looked up to her and sincerely loved her. I will never forget how much we laughed together and there's nobody else like her. She was definitely one of a kind and I sure miss her.

To her family, she loved you all so much. She always bragged about her children, grandchildren and great grandchildren. It seems that I knew you all, just by the sweet stories she would tell me.

I know that Eleanor is in Heaven so I hope that warms your heart.

From my heart, Teri Von Boeckman-Puentes
