“ *We are grateful to have known Lori. She was so sweet and funny. She raised three great children, and we know she is very proud. We are especially grateful for her daughter, Jessica. Lori raised such a sweet, smart and strong person, and we could not ask for a better daughter-in-law. We had so many laughs when Lori and Jess were together listening to their stories about Jess when she was young Lori's version and Jessica's version :) We know this is a difficult time and we are keeping you in our thoughts and prayers. We love you and please reach out if you need anything.*
