“ *Lula was the first friend I met when I began attending Blessed Sacrament. She was so kind. I had no idea that she was from Birmingham.. no wonder we hit it off! Rest in peace, dear lady.*

“ *Lula, may Jesus, Blessed Mother Mary and all the angels welcome you with joyful embraces into heaven. I know that you are in the arms of Jesus enjoying a peace and love that only he can give.*

I will always remember you as one of the most kindest, peaceful, calm, serene, genuine, lady that I had the pleasure to call my friend.

I will remember how fashionable and well dressed you were, how you loved your hair, how at the very last you wanted those earrings on your ear.

Now you are one of the most well rounded beautiful angels in heaven.

I pray that Al and the rest of your family find peace, joy and comfort knowing that they have the most beautiful angel smiling down from heaven on them. Rest in peace my dear friend.
