In Loving Memory of Marian Combee

Today, we gather to honor the life of Marian Frances Bonds Combee. Her journey on this earth may have ended, but her impact lives on in our hearts. Let us celebrate her legacy and find solace in our shared memories.

- **Early Life:** Born on June 13, 1951, in Apopka, Florida, Marian was the cherished daughter of Ernestine Clarke Blunk and Leo Vernon Bonds. Growing up alongside four siblings in Allenhurst and later moving to Mims.
- **Community and Faith:** Marian found solace and community at The Pentecostals of Cocoa. She delighted in simple pleasures -exploring thrift stores, visiting flea markets, singing karaoke, and reminiscing about 1950s cars. Long Horns restaurant held a special place in her heart. Music and spending time with loved ones brought her joy. Her favorite flower was the rose, and in her youth, she reveled in horseback riding.
- **Family Ties:** Marian's legacy lives on through her daughter Sharon and her cherished grandchildren Mason and Savanna. She leaves behind her wide circle of family and friends.
- **Kindness Matters:** Marian understood the profound impact of kindness. A smile, a hug, or a heartfelt conversation can change someone's life. Let us

follow her example and be kind, for we never truly know how much someone needs it.

- The Void: Losing someone we love is never easy. It's not just saying goodbye-it's learning to navigate life without their presence. The void they leave behind echoes in our hearts, a silent ache that only love can fill. May Marian's spirit continue to inspire acts of kindness, laughter, and cherished moments. Let us honor her by living each day fully, just as she did.
