

## Mr. Michael Ryan St. Pierre

December 7, 1988 - December 3, 2019

Michael Ryan St. Pierre, 30, of Cocoa, FL passed away on December 3, 2019 after a long painful battle, he lost his life to his drug addiction.

He spent his adult life a slave to his addiction and the life style that comes along with it. He had many hopes and dreams of a clean future and after many successful rehab stays and a wonderful Thanksgiving with his family, he relapsed. This was his last chance.

Everyone who knew Mikie, even from his dark days agreed he was kind, selfless, loyal and loving. Mikie was a hard worker and loved his family with everything he had. His intent was never to leave his daughter behind, fatherless, he just got lost in the darkness and could not escape.

Mikie never wanted to be an addict. Yes, he chose, of his own free will to experiment with drugs and in turn, became an addict. He was naive and had no idea what kind of hold addiction would gain over his life; it became the most important part. In the end, it took his life.

Now his family suffers knowing there was nothing they could have done to help him. They want to share his painful story to raise awareness of this horrible disease in hopes to save at least one life.

Mikie leaves behind his mother, JoAnn St. Pierre and step- dad Kevin

McAninch; father, Paul St. Pierre; daughter Peyton St. Pierre; three sisters, Heather Ricci and husband Sam; Amber White and Jenna St. Pierre; five nieces and nephews as well as a many other loving family members and friends.

In lieu of flower, the family requests to please consider donations to your local recovery center.
