“ Mike and Sabine drove up to Ft. Stewart, GA where I was stationed and we went to the MP ball. Mike rented a Lincoln Continental Mark IV and we drove in style around base. I remember dancing with Sabine and feeling her little baby bump that was Benji in her belly. Mike made a toast to the MP Corp. and I thought I was gonna die! Introduced himself to the COL Provost Marshal & shook his hand, told him what a good MP I was like he was on his staff! I'm thinking Jesus Mike !

Then he writes me in Desert Storm and says "I wonder if the main export of Kuwait was Dates if you'd be there right now?" kicked me in shorts with that but follows it up by sending me some picture of some hot naked chick, really boosted my Morale!

Gonna Miss my Old Buddy for the rest of my life!

You weren't Authorized to Die Soldier!

We never received a DA Form 4187 with your request to become deceased!
