All are welcome.

Michael James Wright was welcomed home by his bestest boy, Max on September 30, 2023.

Michael being born a military brat in Long Beach, California to James and Constance Wright on May 22, 1958. The family traded one coast for the other and moved to Florida.

Michael loved the beach, fishing, his trusty grill, coffee and most of all his family.

He was a proud girl dad to Jennifer (Jeff) Brooks, Jessica Wright, Kristen

Willet and Lily (Billy) Rowe. His favorite child however was his sweet four-legged fur baby, Teddy.

In the 90s he was the owner of a quaint coffee shop Lynn Marie's and worked construction his entire life, he would often refer to himself as "just a silly long haired guy" teaching the rookies all the tricks of the trade.

Everyone Michael met along the way would agree he always had a story to tell. And his favorite stories were about the people who called him Papa. His face always lit up to see his grandchildren. Dominic, Gianna, Elijah, Aria, Lana and Oliver. Each of them held a special place in his heart and now we all get to hold him in ours.
