

Mrs. Patricia Ann Mason

June 23, 1944 - September 12, 2024

Patricia Ann Mason, a beloved individual remembered for her humorous and caring personality, passed away on September 12th, 2024. Born on June 23, 1944 in Los Angeles, California to parents F. Kendal Pierson and Maragert Pierson (Wells), lived a life full of passion and faith. A devoted wife, mother, sister, grandmother, and friend, Ann's legacy is one of unwavering love and devotion to her family. She shared over 35 years with her husband, Drummond Mason, whom she now joins in eternal peace, alongside her dear sister Bobbie Forman (Pierson). Ann is lovingly remembered by her brother Bud Pierson, two daughters, Bridget Redding and Heather (Daniel) St. Pierre, her cherished grandchildren Becky White, Jessie Redding, Emily St. Pierre, and Jacob St. Pierre, along with her great-granddaughter Ashley White, who is excitedly expecting Ann's great-great granddaughter.

In her free time Ann had a lifelong love of fishing, often spending hours down at her dock or by the beach with her friends and family. Her love for the sea did not stop with fishing, Ann also enjoyed reaping the rewards of her work, she was particularly fond of eating raw oysters.

Alongside her love for the sea, Ann was also an enthusiastic game player, particularly enjoying card games, where she was known for always abiding by the rules. Her

spunky and playful spirit
shone through these joyful moments, creating lasting memories of fun and
laughter for all who
were lucky enough to join her.

Per Ann's wishes, there will be no memorial service. The family encourages
those who knew
her to celebrate her life in their own way and keep her spirit alive through acts
of kindness or
time spent with loved ones.

“ *My beloved grandmother.*

She was always the kind of grandmother who wanted to share experiences with her grandkids, we were always doing something when visiting her. She was so creative in how to keep us entertained, making rainbow toast, playing new card games, even an old magic set (where she would pretend to be impressed).

As I grew older she was someone I looked forward to telling my adventures at school. She was always interested in what I had to share from my research or classes, and I felt heard when talking to her. She really was one of my closest friends in my young adult life, and I will miss her everyday for the rest of my life. But now I have the comfort of knowing she is reunited with Papa, and dancing and cooking in Heaven with him.

I love you forever Granny.

What a beautiful tribute, I know that your Granny loved you all very dearly. She would often share her times that she had with all of with me. I too cherished those memories through her stories. How blessed we all were to have her in our lives. Sending love to all.

“ Ann was a great Aunt, always looking out and doing special things for her family and anyone she cared for. She and Uncle Drummie loved to host people in their home and had such wonderful meals and conversation. I remember the karaoke and dancing so fondly and wished we could have had more of those nights! I still treasure an apron Ann made me when my grandparents were sick and the Disney (Winnie the Pooh) pottery she made my daughter, Taylor, for her nursery when she was born. She was a wonderful, caring person and will be missed so much! ❤️ 🙏

“ Ann was by far the best mother in law a guy could ask for! Our friendship goes back to when I was 19 year old working at Rockwell. A lot of great things that happened in my life is directly contributed to Ann introducing me to Heather. Heather always said Ann was my biggest fan and I felt it for the last 30 years. Her passing leaves a hole that I would never try to fill. All I can say is Thankyou for all the goodness you brought to our lives. Thankyou for being the best MIL anyone could ask for.. Thankyou for being a great friend.

Ann was Pat to me, we laughed at the crazy life we had when we were young. House with one cold water tap, (in the kitchen sink). Heated water on the stove to bath. Although we didn't see eye to eye very often when we were young. Pat became the person who I looked to respect and admire.
Put up with crones disease most of her adult life, while raising the girls. She passed along great work and life ethics to the girls and a very proud of both of them. I always told her that she was the toughest old broad that I knew.! She would always just shrug it off but it's true she was quite a woman.
I will miss her dearly but I am so glad that she went easily and with the family handy.
