

Mrs. Patricia Yates

July 29, 1964 - October 23, 2017

Patricia "Trish" Ellen Banfield Yates, 53, of Cocoa, Florida entered the gates of Heaven on October 23, 2017. She was born July 29, 1964, in Rockledge, Florida to the late Edward Arnold Banfield and Patricia Ann Solomon.

Trish was survived by her husband of 25 years Grover Charles Yates Jr. her "Bud", daughters Julia "Cupcake" and Jessi "Kit Kat" Yates; her brother, Edward "Bub" Banfield and sister, Vickie "Sis" Fain as well as many nieces and nephews.

Trish was a caring, loving and devoted wife and mother. The greatest joy of her life was being the mom to Julia and Jessi. Her daughters and husband loved and adored her. She was also the best Big Sis that a Little Sis and Little Bub could ever ask for and was loved bunches. Trish was not just a mother, wife and sister, but a friend to us all. Her family was her whole world. We were all blessed to have such a beautiful soul in our lives. With a generous heart, she was beautiful both inside and out. She was strong, caring and selfless, always being sure to put others first. A woman of great faith, Trish believed in a life after death.

Trish was loved very much and will greatly be missed by so many. It saddens us all to say goodbye but it's only to the flesh. Someone so beautiful could never really be gone, but forever live on in our hearts, minds, and souls with a

never-ending love and respect.

So to Trish, we say thank you for making us feel loved and our hearts happy. May you have an everlasting peace that only the Father can give, you have earned it.

We love you bunches.

Forever yours -Bud, Cupcake, Kit Kat, Little Bub, and Little Sis.

"The Lord bless you and keep you, The Lord make his face to shine upon you and be gracious to you; the Lord lift up his countenance upon you and give you peace." -Numbers 6:24-26

Funeral Services will be held Saturday, October 28, 2017, at 12 noon at Christmas Cemetery Chapel. The viewing will be from 11 am until the time of service. Burial will follow directly after on site.
