She peacefully transitioned, joining her parents and sibling, Morris Clark. She spent most of her time gardening, picking and canning vegetables, and sitting outside enjoying the Florida breeze brush across her cherished gardenia and honeysuckle gardens. Her greatest joys and most cherished moments were in the family gatherings where she delighted in the over abundance of cooking. She took Great pride in watching her family advance and progress in life.

Patsy never strayed from her love of Christ. Her Sundays were filled connecting with her Creator where she practiced and lived a God-centered life. Her cherished Christian values were realized on Sunday, May 28, 2017, as a well disciplined life joined her Heavenly Father and cherished loved ones in a celebration of a life well done.

A very small and humble celebration of her life will take place at New Life Christian Fellowship 6755 South Washington Ave. Titusville, FL 32780 at 10 AM on Thursday, June 1, 2017. “ *Pat Clark Scott, was a girl friend from our first adventure in Oak Ridge, Tennessee. Patsy and I double dated in his school, shared many secrets, dreams and fun times. She became my sister in law in 1956, when I married her brother, Morris Edgar Clark, who passed away on Dec. 25, 2013. We were married for 57 happy and God guided years.*

I am so sorry, that no one let me know of Patsy's passing in 2017. Her smile was so full of mischief and her giggles, contagious. She was always a champion of the under dog and quick to speak up for a friend! She is with God now, with so many of her loved ones. My heart is saddened by tonight's discovery of her death. Kathy and Buddy, I do hope you remember me and your Uncle Morris. I still live in N. C. and I would love to hear more about your Mom, and find out how to contact the other brother, Wayne and remaining sisters. Eloise,, Peggy and Jackie. I do hope to hear from someone soon.

*In the love of Jesus Christ,
