

## Mr. Paul Gumieny

January 23, 1971 - August 8, 2022

Paul Gumieny, age 51, passed away on August 8, 2022. He was predeceased by his father Delbert Sr., his mother Marion and his sister Annie. He is survived by his much loved children Clayton and Heather and soon to be born first grandchild, as well as brothers Delbert Jr (wife Teri), Fredrick (wife Terry), Daniel (wife Lynda), Emil (wife Margaret) and sister Caroline (husband Robert) along with numerous cousins, nieces and nephews. He will also be greatly missed by his partner Lori Johnson and her son Nathan.

Paul was born in New Berlin, Wisconsin, but truly was a good ol Florida boy at heart since he moved to Florida at 5 years of age. Some people take time to develop a passion, not Paul. His Mom finally got him to stop begging by attaching a blue gill with a safety pin at the end of his tiny fishing pole. He had just started walking and wanted to fish! In his elementary school years, he brought home a small alligator to swim in our family bathtub (humanely released later that day). The love of fishing was only overshadowed by his love for his family and friends. It was not uncommon for someone to say, "I learned more about fishing from Paul than anyone I've ever met." He just loved the outdoors and hunting and fishing were his favorite way to spend time with those he loved.

Paul enjoyed working with Forum Construction as a Superintendent for the last 5 years. He had an amazing ability to fix or build almost anything and

understood the construction industry from the bottom up. He complimented this with his quick wit and smile.

Although Paul's favorite fishing spot was the Stick Marsh (the Crappies are breathing a sigh of relief), his family felt that right up there on his list of favorites was Fox Lake in Titusville. A Celebration of Life is planned there beginning at 1:00 on Saturday August 20th. Please join us in celebrating Paul's life, complete with some fishing, great southern food, and lots of love....exactly what Paul would have wanted.
