“ *We will miss Becky in the neighborhood ! Becky was a kind, generous, good hearted woman who was a good part of our lives here in North Merritt Island. Her love of the land was evident with her beautiful garden, of which we have 2 staghorn ferns, beautiful ginger plants and a neat selection of bromeliads she gave us that we will remember her by. Agriculturally Inspirational. And we can't forget the Limoncello creations either! Our condolences to the many that knew and loved Becky. Sincerely, Celia and Shaye Williams*

*When I first moved to North Merritt Island in 1981, Becky taught Basketweaving to many of us using all natural Local palm tree blooms. They were as beautiful as she was. She was welcoming and gave many women time together to love and support each other. I always admired her strength and her memory will be eternal in my heart.*
